LAKELAND LEISURE ESTATES

Description

Smeagles Dream is a beautifully presented 50ft cruiser stern narrowboat that has been extensively upgraded and redecorated by her current owners, creating a comfortable and welcoming boat that is ready for her next chapter on the waterways.

A great deal of work has recently been carried out, including a new galley, new breakfast bar, new bio-ethanol stove, new mattress, full pram cover to the stern and new cratch cover to the bow. The roof has also been repainted, while the hull was blacked in 2026 with two coats of bitumen, giving the new owners peace of mind and allowing them to concentrate on enjoying their time afloat.

Entering from the cruiser stern, the bedroom provides a comfortable full-size double bed with a new mattress, wardrobe, under-bed storage and wall cabinet. Moving forward is the contemporary walk-through bathroom, featuring a corner shower, new cassette toilet, new wash basin, heated towel rail and useful storage.

The newly updated galley is both practical and well equipped, with granite worktops, a sink and drainer with mixer tap, a new Statesman four-burner freestanding cooker with separate oven and grill, a new Shoreline 12v/24v fridge/freezer and a Beko washing machine. A good selection of cupboards and drawers provides plenty of storage for longer stays aboard.

The new breakfast bar creates a sociable space between the galley and saloon, with a granite counter, two bar stools and a three-drawer storage unit. It's an ideal spot for enjoying breakfast before heading out onto the cut or sitting down for an evening drink.

The saloon is a comfortable and relaxing space, complete with a new bio-ethanol stove, two captain's chairs with footstools, coffee table and TV. Glazed double doors open directly onto the large well deck, which benefits from a new cratch cover and provides a lovely additional outdoor space.

At the stern, the full pram cover offers useful protection from the elements, making the cruiser stern a practical space in all seasons.

With two berths and scope to accommodate up to four with the addition of a sofa bed, Smeagles Dream would make an excellent choice for couples looking for a comfortable cruising boat, while also offering flexibility for guests.

Having benefited from extensive recent improvements, Smeagles Dream is ready to be enjoyed, whether you're looking for weekend escapes, longer cruising adventures or simply somewhere to relax and enjoy life on the waterways.
