BOAT SALES
LAKELAND LEISURE ESTATES

Description

Mayo Kate is a well-proportioned and thoughtfully designed 60ft cruiser stern narrowboat, built in 2014 by the highly regarded David Reeves. Offering a practical reverse layout and comfortable accommodation for up to four berths, she is ideally suited for both leisure cruising and extended stays aboard.

Stepping aboard, you are welcomed into a bright and functional galley positioned at the stern. Fitted with under-counter storage cupboards, a Thetford oven with four-ring hob, fridge, and tiled splashback, the space is well-equipped for everyday cooking while maintaining a clean and traditional feel.

Moving forward, the saloon provides a cosy yet sociable living area, featuring a comfortable three-seater sofa, a multi-fuel stove for those cooler evenings, and an LG flatscreen TV. The addition of a separate Pullman-style dinette offers both a dedicated dining space and a versatile sleeping solution, easily converting into a double berth when required.

The central hallway benefits from a large storage cupboard complete with a hanging rail, offering practical onboard storage that is often sought after on boats of this size.

The bathroom is well-appointed with a Thetford cassette toilet, wash basin set within a vanity unit, and a hip bath with overhead shower – providing flexibility whether you prefer a quick shower or a more relaxing soak.

At the bow, the bedroom offers a comfortable double bed with useful storage beneath, alongside two separate wardrobes with hanging rails. Access to cassette storage is also conveniently located within this space.

Externally, Mayo Kate benefits from a new cratch cover fitted in 2023, enhancing both usability and protection at the bow.

Built and fitted out by David Reeves, this attractive and practical narrowboat combines quality craftsmanship with a versatile layout, making her an excellent choice for those looking to step into life on the water.
