LAKELAND LEISURE ESTATES

## Description

Discover the perfect blend of luxury, craftsmanship, and liveaboard comfort aboard Nantaux—a pristine 2023 Collingwood Eurocruiser Widebeam that epitomises contemporary waterside living. Moored at the scenic Caen Hill Marina near Devizes, this impressive 65ft x 12ft 6" cruiser stern vessel is presented in immaculate condition and offers an exceptional opportunity for those seeking either a sophisticated floating home or a long-range cruising retreat.

Step aboard Nantaux and be instantly immersed in a world of stylish serenity. The wide beam layout allows for expansive, open-plan living spaces filled with natural light and warmed by the charm of rich, solid oak joinery throughout. The heart of the boat is the fully-fitted Howdens galley kitchen—an elegant, functional space that rivals any home kitchen. Equipped with a gas hob and oven, integrated dishwasher, washing machine, large fridge-freezer, and even a dedicated wine fridge, it's a dream for culinary enthusiasts. Generous cabinetry provides ample storage, while the sleek finish and breakfast bar make it a sociable spot to gather or dine.

Adjacent to the kitchen is the spacious saloon, a beautifully curated area designed for comfort and relaxation. Two inviting sofas—including one that converts into a sofa bed—are positioned around a classic Morso Squirrel solid-fuel stove, ideal for cosy evenings on board. A stylish oak coffee table, plentiful shelving, and a large LG flat-screen TV with sound bar elevate this space into a true home cinema lounge.

Nantaux features two well-appointed bedrooms, each offering peace, privacy, and smart design. The master suite is a luxurious retreat complete with a king-size bed, mirrored oak wardrobes, a dressing table, drawers, and built-in cupboards—all handcrafted in solid oak. A TV point adds modern convenience to this tranquil space. The second bedroom is equally refined, featuring a double bed, oak wardrobe, dressing table, and a discreet radiator with a bespoke oak cover—ideal for guests, children, or use as a study or hobby room.

The spacious bathroom is a showcase of both function and finesse. A large walk-in shower with glass screen sits alongside dual wash basins, a modern toilet, and an abundance of oak cabinetry for storage. A full-size mirror and heated towel rail add both practicality and a touch of spa-like luxury.

With 4 berths, 1 bathroom, and every modern amenity for year-round cruising or full-time residential life, Nantaux is an exceptional example of what widebeam boating can be. Beautifully maintained and superbly equipped, she's ready to welcome her next owner into a life of refined waterside living.
