BOAT SALES
LAKELAND LEISURE ESTATES

Description

Tarnfalk is a charming 23ft Canal Beam Family Cruiser, built in 2018 and designed for comfort, ease of use, and relaxed waterside living. Purchased directly from Viking Mouldings, this well-kept cruiser has had several thoughtful upgrades, including a powerful 20hp engine, shore power connection, TV socket, and a practical fabric canopy for all-weather cruising.

She has only ever been used in freshwater and is currently moored at the picturesque Shakespeare Marina on the River Avon—just a 10-minute stroll from the historic town of Stratford-upon-Avon. Whether you're looking for weekend getaways, family adventures, or peaceful days on the water, Tarnfalk is ready to explore.

Inside, the galley includes everything you need for life afloat: a 2-burner gas hob, a gas oven and grill, and a stainless steel sink with hot and cold mixer taps. The living space is light, cosy, and cleverly designed, with a fixed double berth in the bow and a convertible dinette that transforms into an additional bed—comfortably sleeping up to four.

The dinette also features a four-seat arrangement with bench seating and an extendable dining table, ideal for shared meals or evening games. The compact bathroom includes a shower, basin, sink, and an unused cassette toilet, offering a practical and private space for longer stays aboard.

Tarnfalk is easy to handle, economical to run, and full of personality—perfect for new boaters or seasoned cruisers alike. With her desirable upgrades and prime mooring location, she's a fantastic opportunity for anyone seeking a ready-to-go canal cruiser in a stunning riverside setting.
