BOAT SALES
LAKELAND LEISURE ESTATES

Description

Venetian Queen is a charming 55ft cruiser stern narrowboat, built by Liverpool Boats in 1980, offering comfortable accommodation for up to four people. With a practical layout and a welcoming interior, she would make an excellent liveaboard, leisure cruiser, or holiday boat for those looking to enjoy life on the waterways.

Entering from the cruiser stern, you'll find a bright and comfortable saloon featuring a three-seater sofa that easily converts into an additional double bed, providing flexible sleeping arrangements for guests. A wall-mounted TV bracket is already installed, making the lounge a cosy space to relax after a day of cruising.

The galley is well-equipped with ample under-counter storage, a fridge, a 240V chest freezer, and a Morco instant gas boiler providing hot water. The practical design offers everything needed for extended stays aboard.

Moving forward, the bathroom features a shower, Thetford cassette toilet, a large wash basin with hot and cold water, and a useful storage cupboard beside the shower.

The master bedroom offers a small double bed with under-bed storage, a wardrobe, shelving, and additional storage cupboards, making excellent use of the available space.

Powered by a reliable Volvo Penta 2003 engine paired with a PRM150 gearbox, Venetian Queen benefits from both 12V and 240V electrical systems, two leisure batteries, one starter battery, and a galvanic isolator. Heating is provided via a solid fuel stove with back boiler supplying two radiators, ensuring comfort throughout the seasons.

Whether you're searching for your first narrowboat or a comfortable vessel for extended cruising, Venetian Queen offers practical accommodation, dependable engineering, and everything needed to start your next adventure on the inland waterways.
